J PAUL D. BORMAN
U.S. DISTRICT JUDGE

Dear Your Honorable Judge Bowman, 9-6-2022

I hope this letter finds you in good health and spirit. My name is Brandi Hawkins, I am currently in Alderson Prison Camp. I have wrote you several times and have never received a response. I have been here going on 5 months, no incident reports. I was trying to get my restitution waved until I got back home or lowered to 25 dollars please.

Your Honor I have 6 children at home and one on the way. Please take in consideration that I will make all my future and have made my current payments on time. It is hard with six children at home and one on its way.

Please take the time and write me back!

Respectfully
Brandi Hawkins
